Thank you all for your blood, sweat, and tears on the Summit Spray Dyer! A ton of backs went into this project, and we are very grateful for the WPI Team getting this out to our Install Crew! Do not forget to get your lessons learned and what we did good to your supervisor.

Fun Facts for May..... There are great holidays in May, such as Memorial Day, Mother's Day, and Cinco de Mayo, but through some research, I found out that May is also LOADED POTATO MONTH. Uh yes, I will happily celebrate that.

According to Old English terms, May is synonymous for "Three Milking's." Why?? Because May is the time of year when cows needed to be milked up to three times per day, which is a pretty weird fact all in itself
