WPI Update 03/23/2020

As of this update Oregon and Louisiana have a Stay at Home order in place.

Western Pneumatics, Inc. provides an essential product and service to our environment, community and customers.

We will remain open and operating per normal hours to meet existing schedules.

Please continue to practice good hygienic, social distancing and self-quarantine if symptomatic or suspect you've been exposed to the virus.

If you have any questions or concerns, please contact us.
